Thank you for subscribing to my blog site. I hope my posts have been beneficial. I posted my first essay on December 10, 2014 and have posted once a week for the past 52 weeks. I started with 10 subscribers, I now have 3,400+

In my opinion, my five most important posts were:

- [Read](#)
- [Embrace significant thoughts](#)

My readers favored these five posts (based on comments and Facebook and LinkedIn shares):
